Company agrees that the Information provided by Company in the online catalogue information page will contain, at a minimum, a link to the contractual terms under which Company will sell the Property to the successful bidder, as well as any additional terms required to consummate the sale (for example, shipping fee, insurance, taxes, etc.) (the "Company Conditions of Sale"). The Company Conditions of Sale will be binding upon Company and the ultimate purchaser and must include at a minimum, a warranty of clear title and right to convey clear title, a warranty that the Property conforms to the Information, and rescission rights in accordance with this Agreement. Nothing in the Company Conditions of Sale shall conflict with or disclaim the terms of this Agreement.

(b) No Disclaimer. Company shall not modify or disclaim the Company Conditions of Sale (or the Standard Conditions of Sale, if applicable) or any warranty provided as part of the Information, in any invoice, statement or other document or oral statement Company makes. Company agrees that eBay will not take responsibility for the content or accuracy of any Information provided by Company, and Company has the ultimate liability to any purchaser in the event that the purchaser believes the Information was misleading, inaccurate or otherwise provides such purchaser with grounds for rescission of the sale.

(i) Rescission Right. Notwithstanding any other remedy provided under this Agreement, Company agrees that the Buyer has the right to rescind the sale (and Company will return all proceeds) for a period of at least forty-eight (48) hours from the date the Property is received by the Buyer if the physical condition of the Property materially differs from what was described in the Information or if the description is, in any material respect, inaccurate, so long as Buyer provides such notice within forty-eight hours following receipt of the Property **and** returns the Property to Company reasonably promptly in the same condition it was sold. Nothing herein may be disclaimed or otherwise altered in the Company Conditions of Sale or otherwise.

(ii) Termination for Failure to Rescind in Good Faith. Company agrees that if a purchaser requests that Company rescind a sale of Property, Company will consider such purchaser's claim in good faith, and rescind such sale in accordance with the terms of this Agreement and under the Company Conditions of Sale. All claims for rescission should be resolved directly between Company and Buyer, in the event Company and Buyer are unable to resolve a dispute, a third party dispute resolution procedure shall be used. If eBay determines in good faith and in eBay's sole discretion that a claim was not handled in good faith or in accordance with the Rules, then eBay reserves the right to terminate this Agreement upon fifteen (15) days' notice to Company.

(iii) Indemnification for Failure to Rescind. Company agrees to indemnify eBay for all expenses, costs and any amounts paid to Buyer in the event eBay is required to refund the purchase price of any Property sold by Company. Upon payment to eBay of such amounts, eBay shall return the Property in question to Company.

(b) Security. In order to participate in the Site, Company will receive a user id and a password to list items, and may receive additional user id's or passwords in connection with online tools or customer software designed to facilitate Company's participation in the Site. Company will be responsible for any actions taken by parties who have access to these passwords, and Company agrees not to disclose the passwords to any third party. If Company discovers that any password is no longer confidential, please inform eBay immediately. Company agrees to select a single user id to use in connection with any posting or customer contacts, where that user id appropriately identifies Company, and is not misleading or confusing.

5. LIVE AUCTIONS.

(a) Company shall hire a licensed auctioneer to conduct its Live Auctions who will act as Company's agent with respect to those auctions. Company will comply at all times, and will cause its licensed auctioneer to comply at all times, with the terms and conditions of this Agreement, the eBay User Agreement and the Live Auction Agreement attached hereto as Exhibit B, while conducting or participating in a Live Auction through the eBay Site.

6. TRADEMARK LICENSE.

(a) Trademark License. eBay hereby grants to Company a non-exclusive, nonsublicenseable, nontransferable, and nonassignable license to use those proprietary domain names, trademarks and logos ("Marks") designated by eBay, upon prior written approval by eBay, in links to and advertisements and promotions for Company offerings on the eBay Site. Company hereby grants to eBay a non-exclusive, nontransferable and nonassignable license to use Company's Marks on the eBay Site, and in links to and advertisements and promotions for the eBay Site.

(b) Trademark Restrictions. The Mark owner may terminate the foregoing license if, in its reasonable discretion, the licensee's use of the Marks tarnishes, blurs or dilutes the quality associated with the Marks or the associated goodwill and such problem is not cured within ten (10) days of notice of breach; alternatively, instead of terminating the license in total, the owner may specify that certain pages of the licensee's website or certain promotional materials may not contain the Marks. Title to and ownership of the owner's Marks will remain with the owner. The licensee will use the Marks exactly in the form provided and in conformance with any trademark usage policies provided by the owner of the Marks. The licensee will not take any action inconsistent with the owner's ownership of the Marks, and any benefits accruing from use of such Marks will automatically vest in the owner. The licensee will not form any combination marks with the other party's Marks.

7. LICENSE TO USE CUSTOMER DATA. Company agrees not to use or disclose any personally identifiable information of any eBay user that Company obtains through the eBay Site or through any eBay or eBay-related communication or eBay or eBay-facilitated transaction ("Customer Data") except for the purposes of completing the transaction with the Buyer and fulfilling its obligations under this Agreement. Company agrees to (i) disclose and obtain the consent of the winning bidder (the "Buyer") if Company wishes to add the Buyer to Company's customer list or make any use of the Buyer's information, and (ii) provide the Buyer with the ability to opt-out of such inclusion. So long as Company has not actively solicited or encouraged (as part of Company's Information posted on the Site) eBay users to register with Company, and in any registration the user is informed (x) that she is affirmatively registering with Company, and (y) what the privacy policies of Company are with respect to that user's information, then such information will not be deemed "Customer Data" under this Agreement. Company agrees not to target (nor to encourage or facilitate the targeting by any third party of) eBay users for any promotion or activity of Company or any third party. Company agrees not to spider the eBay Site or otherwise collect User information for any purpose without the express written permission of eBay.

8. EXCLUSIVITY. Unless otherwise stated herein, this Agreement is non-exclusive.

9. Fees - For Live Auctions.

(b) Buyer's Premium Fee. Company may in its sole discretion charge the Buyer a buyer's premium as determined by Company at the time Property is listed in the online catalog; provided, however, any such buyer's premium shall be set at the same amount for internet and floor bidders.

(e) Taxes. Company will be liable for collecting any sales, use, value added tax (VAT), *ad valorem*, import, excise or other tax which may be imposed by the taxing authorities at Company's location for the sale of Property. Company agrees to be fully responsible for, and indemnify and hold eBay harmless from any such taxes and duties.

(f) Audit Rights. Company shall keep for three (3) years proper records and books of account relating to the computation of payments owed to eBay. Once every twelve (12) months, eBay or its designee may inspect such records to verify reports. Any such inspection will be conducted in a manner that does not unreasonably interfere with Company's business activities. Company shall immediately make any overdue payments disclosed by the audit plus applicable interest. Such inspection shall be at eBay's expense; however, if the audit reveals overdue payments in excess of five percent (5%) of the payments owed to date, Company shall immediately pay the cost of such audit, and eBay may conduct another audit during the same twelve (12) month period.

10. CONFIDENTIAL INFORMATION. "Confidential Information" is defined as any confidential or proprietary information of eBay and its suppliers (including without limitation, the terms of this Agreement, the various policies referred to herein, including but not limited to the Participation Requirements), and any other material disclosed to Company by eBay in a writing marked "confidential" or, if disclosed orally, is identified as confidential at the time of disclosure and is subsequently reduced to a writing marked "confidential" and delivered to Company within thirty (30) days of disclosure. Company will hold eBay's Confidential Information in confidence and will not disclose such Confidential Information to third parties nor use eBay's Confidential Information for any purpose other than as required to perform under this Agreement. Such restrictions will not apply to Confidential Information which (a) is already known by Company, (b) becomes, through no act or fault of the recipient, publicly known, (c) is received by Company from a third party without a restriction on disclosure or use, or (d) is independently developed by Company without reference to the Confidential Information. 1. POSTING GUIDELINES.

(a) **Categories.** Company must concentrate in your area(s) of expertise, and offer items of Property within such categories.

(b) **Community Guidelines.** Company needs to comply with the general community guidelines of eBay, though in the event of a conflict between those general guidelines and the Agreement, the Agreement governs. General rules of behavior on eBay may be found at <http://pages.ebay.com/help/community/png-list.html>.

(c) **Single Offering.** Company may not list any Property for sale that is simultaneously being offered for sale in any other venue.

(d) **Linking Back.**

(i) **Conditions of Sale.** The Information that Company posts about the Property on the catalogue information page needs to refer to the Company Conditions of Sale, as defined in the Agreement. As stated in the Agreement, Company must include certain minimum terms in the Company Conditions of Sale (e.g., warranties of title, conformance to description, etc.), but Company is free to set its own terms regarding shipping, payment, insurance, and the like.

(ii) **Educational Content.** Company is free to link to educational content on Company Site designed to inform and educate buyers about the Property Company is offering, so long as such links are also in compliance with the Agreement.

(iii) **Auctions and Retail.** Company shall not link from the Information to any online listing services, nor may Company promote other online listing services or auctions (whether offered by yourself or third parties) from the Information. Company may not provide links to any sites offering the same merchandise for the same or lower price than that included in the information, or to any sites offering merchandise prohibited on eBay. Company may not provide links to any retail site from Company's "View Item" page on eBay.

(e) **Prohibited Items.** Company agrees not to offer any Property on the eBay Site or through a Live Auction if the offering or sale of such Property violates any policy set forth in the Agreement, any applicable laws or regulations, or that may subject Company, eBay, or the buyer to potential liability. Company will be responsible for determining whether the offering or selling of Property may violate applicable laws or regulations. Without limiting the foregoing, Company agrees not to offer any (a) Property containing ivory from the sources prohibited by eBay, tortoiseshell, or any other product of a plant or animal species that is protected as endangered or threatened under applicable national or local law; (b) wine (unless otherwise agreed to in writing by eBay), beer, liquor, distilled spirits or any product containing alcohol products, tobacco or tobacco derivatives, firearms and munitions, or pornographic or obscene material; (c) perishable Property; (d) livestock; (e) slot machines or gaming equipment; (f) Property that is prohibited for sale under applicable "foreign asset control" or "economic sanction" restrictions and regulations; (g) Property or Information that may infringe upon or violate any third party's intellectual property rights, including, without limitation, copyright, patent, trademark, trade secret, moral right, proprietary rights or rights of publicity or privacy, or contain obscenity, pornography or be otherwise inflammatory; (h) Property or Information that eBay deems, in its sole discretion, to be inappropriate or offensive; or (i) Property that is on eBay's "Questionable Items" list (<http://pages.ebay.com/help/community/png-items.html>).

(f) **Deletion of Listing.** eBay may remove the listing for any Property if, in eBay's sole discretion (i) there is doubt as to the accuracy of the Information, (ii) Company has breached or is about to breach any provision of the Agreement, the eBay User Agreement, the Participation Requirements or Rules, whether because of such listing or otherwise, (iii) there is doubt as to title or, the right to pass clear title, to the Property, or (iv) such listing may expose eBay to potential liability or the threat of litigation. Removal of property pursuant to this section shall be grounds for us to immediately terminate this Agreement.

(g) **Removal of Company Information.** eBay reserves the right to take any action, from modification to removal of Information as eBay deems necessary or appropriate if, in eBay's absolute discretion, the publication of the Information (i) may create liability for Company and/or eBay, or may cause eBay to lose (in whole or part) the services of eBay's Internet business partners; (ii) infringes upon or violates third party's intellectual property rights or rights of publicity or privacy; (iii) violates any law, statute, ordinance or regulation; (iv) is defamatory, libelous, illegally threatening or harassing; (v) contains obscenity, pornography or is otherwise inflammatory; (vi) contains a virus or other damaging programming, or (vii) in anyway violates this Agreement or the eBay User Agreement.

(h) **Withdrawal.** Company shall not sell or dispose of any Property listed in on the eBay Site by any other means as long as the item is listed for sale on the eBay Service. We may, in its sole discretion, terminate this Agreement and/or charge Company a withdrawal fee for any violation of this section.

(i) **Updating Information.** Company may add additional Information to the Property description posted on the Site so long as such additions are immaterial to the value of the Property.

2. CUSTOMER SUPPORT AND INTERACTION.

(a) **Response.** Company agrees to provide prompt and courteous customer support to users of the eBay Site, and to strive to respond to users' inquiries within twenty-four (24) hours.

(b) **Feedback.** Company agrees to abide by any user feedback rules provided by eBay. Company agrees that eBay has the right to restrict or deny Company the ability to post Property if Company does not fulfill Company obligations with respect to user support or if Company exceeds the established metrics for negative customer feedback applicable to eBay sellers.
